Child Care Information

Ronald McDonald Playroom

*Supervised on-site childcare is available for a **limited** number of children who are 30 months old and over.*

- **Playroom registration opens 2 weeks and 2 days before the date of each event, and closes 48 hours before each event.**
- **Playroom spaces are confirmed only after an intake call is completed over the phone. (Intake is required for every event and unregistered children cannot be accommodated).**
- At this time, children under 30 months old cannot be accommodated in our Playroom or at events.
- Please call Daniel Scott at 416-425-6220 ext. 3438 to discuss your child's needs and register for a Playroom spot.

Sibling Support Program

This program is for siblings of children with disabilities, aged 7-18, and runs at the same time as workshops. For more info, please contact siblingsupport@hollandbloorview.ca

Visit the **Online Family Resource Centre** for information on parenting, education, fun things to do, respite care and funding.

About Holland Bloorview Kids

Rehabilitation Hospital

Holland Bloorview Kids Rehabilitation Hospital creates a world of possibility by supporting children and youth living with disability, medical complexity, illness and injury. Holland Bloorview is a top 40 Canadian research hospital that is fully affiliated with the University of Toronto and serves over 7,500 families annually. Providing both inpatient and outpatient services, Holland Bloorview is renowned for its expertise in partnering with clients and families to provide exceptional care and is the only organization to ever achieve 100 per cent in two successive **quality surveys** by Accreditation Canada. Holland Bloorview is a founding member of **Kids Health Alliance**, a network of partners working to create a high quality, consistent and coordinated approach to pediatric health care that is centred around children, youth and their families. For more information or to donate, please visit hollandbloorview.ca or connect on [Twitter](#), [Facebook](#), [Instagram](#), [LinkedIn](#) and parent-blog [BLOOM](#).
